

Are you resident in UK?

If you are a member of a UK Athletics Club you can run the Rome Marathon and all events in the UK without further checks by saving time and money if you are also registered with your National Association (the cost of registration with your National Association is only around £15 per year). So, as written in Rome Marathon rules, It will be not necessary that you download from the website the medical certificate form and you won't have to buy the Runcard (insurance).

Below you can find the links to find all information (every website for every territory)
